clover

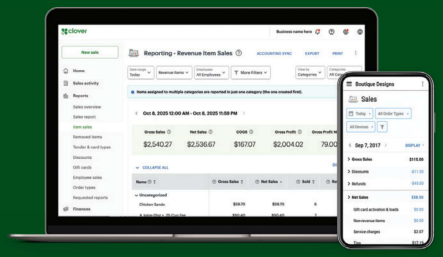

Accept payments and run your business from anywhere

Run your business more efficiently

Track your sales and manage your business from anywhere with the Clover Dashboard on the web, your mobile device, or a Clover POS device.

Clover Dashboard is a single, intuitive dashboard to view the day's sales, open orders, sales reports, and monthly statements.

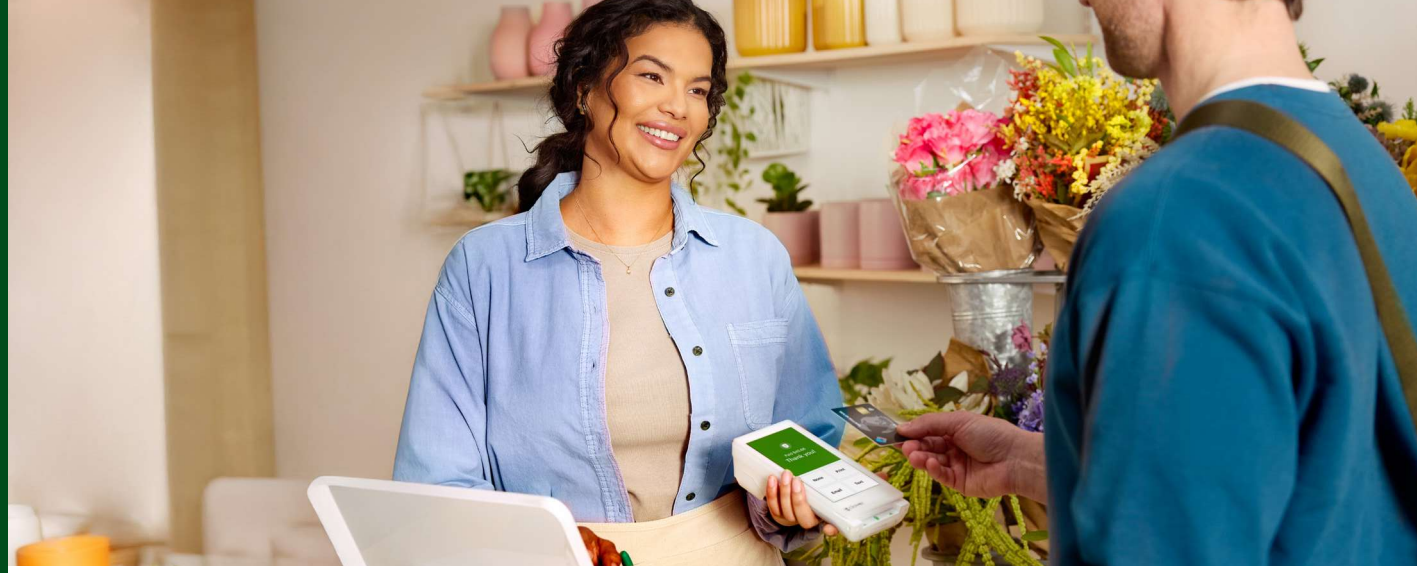

Do more with Clover:

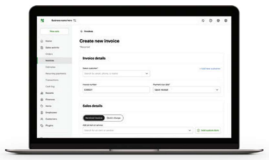

- Communicate with customers directly, send promotions, offer a loyalty program, sell custom gift cards, and more!
- Access funds quickly to manage cash flow or for working capital
- Turn your sales data into insights to grow your business

Accept payments anywhere

Clover provides the ability for you to take payments securely from anywhere using your computer, mobile device, website or one of our modern and robust POS devices.

Get paid online ...

Virtual Terminal

Take payments over the phone or schedule payments to get paid on-time automatically

Invoice

Send an invoice by email and let customers pay you online

Online Payments

Text a link, print a QR code, or add a pay button on your website to get paid online

Ecommerce

Integrate fast and secure payments with your online store

...or in-person.

Clover Go
